Bsc.IT	Nirmala Memorial Foundation College of Commerce & Science	University of Mumbai	2024	–
XII	Shri T.P. Bhatia Junior College Of Science	Maharashtra State Board	2020	46.92
X	Shri Raghubir Madhyamik Vidyalaya &English High School	Maharashtra State Board	2018	60.00

WORK EXPERIENCE

Nurse	• Empathy is another crucial trait, allowing nurses to empathize with patient's pain and provide compassionate care. • Teamwork is vital in hospitals, requiring nurses to collaborate seamlessly with colleagues.	June 2020 – Aug 2021
NSS Volunteer	• As an active NSS volunteer, I've dedicated myself to social service and community engagement, honing leadership skills through teamwork. Guided by empathy, I've initiated and implemented social programs, contributing to society with pride, aiming for sustainable change. My NSS experience deepened my commitment to volunteering and provided invaluable service-learning opportunities, enriching personal growth and community understanding.	Nov 2021 – Nov 2022

PROJECTS

Exclusive Shopping kart APP	• I am a skilled app developer with a strong focus on the electronic goods sector. In my recent role, I spearheaded the development of an exclusive shopping cart app aimed at providing users with quick access to a wide range of electronic products. • Leveraging my expertise in app development languages such as Java and Swift, I prioritized speed optimization to ensure fast and efficient delivery of electronic goods to customers. By implementing user-centric design principles and integrating APIs for inventory management and payment processing, I delivered a seamless shopping experience tailored to the unique requirements of the electronic goods market.
